

398,1

A technical drawing of a roof structure. It shows a gabled roof with rafters and a horizontal tie beam. The rafters are supported by two vertical posts. Dimensions are indicated with blue lines and text: 398,1 for the tie beam length, 325,5 for the base width, and 293,0 for the total height. Small rectangular blocks are shown on the rafters, likely representing roof tiles or battens. The drawing is on a light gray background.
